

Reading Challenge **3**

Answer Key

Unit 1

Sealing with Approval

Pre-reading

1. My grandfather drinks Italian wine everyday, but my father only drinks wine on special occasions like weddings and holidays.
2. Wines are different in color and taste because they are made from different grapes.
3. I don't know much about wines, so I usually think an expensive wine must be a good wine.

Discussion

1. I think programs that teach language and spelling, or programs about science and nature can benefit children's education. Most cartoons don't have educational benefits.
2. I think it depends on what they're watching. If children enjoy watching educational programs, two or three hours a day is allowable; however, if they are just watching cartoons or other non-educational shows, no more than one hour a day is allowable.
3. I think watching TV has helped me. When I was young, I used to watch a lot of nature and travel programs. Now, I know so much more about animals and the world than I learned in school.

Unit 18

The Famous Cup

Pre-reading

1. I like to watch football or hockey the most, but I like to play tennis.
2. I don't like soccer very much because there isn't enough scoring. I've never been to a World Cup game, but I'd love to go to one some day.
3. When I was in elementary school, my baseball team won the city league championship, so I got a trophy for that. I kept it on a shelf for many years, but I don't know where it is now.

Discussion

1. I receive a lot of phishing messages, but I rarely read them. I recall one, though, that claimed that I was the last relative of some rich man who had just died in Nigeria. It said that if I sent them my banking information, they would send me the money I inherited.
2. I think people caught phishing should be fined lots of money, or even jailed. They cause a lot of inconvenience for most people and serious financial trouble for some.
3. I've heard that there are a lot of health scams on the Internet these days. There are advertisements for vitamins, health supplements and medicine, but when you buy them, the company just keeps your money and sends out nothing.
