This is the most \_\_\_\_\_ (million/convenient) way to get home.

\_\_\_\_\_

\_\_\_\_\_.

▪ **Read the passage. Then choose the correct answer.****[12-15]**

People use a lot of plastic. Plastic is cheap and convenient.

You use a plastic straw once. Then you throw it away. This is a big problem. A lot of straws go into the sea. They hurt the plants and animals.

Molly Steer is nine years old. But she teaches people about not using plastic straws. She says that millions of straws are used each day. Because of her, several countries stopped using plastic straws.

12. People use a lot of cheap plastic.

☐

Yes

☐

No
