- **Read the passage. Then choose the correct answer.**

[20-23]

Today is New Year's Day in Greece. My mother bakes a special cake. She hides a coin in the dough. The coin is good luck. My father cuts the cake. He cuts a slice for each person. We eat our cake. Who has the coin? My brother finds the coin in his slice. We cheer because he will have good luck all year!

20. The father bakes a special cake. ☐ Yes ☐ No

21. The brother finds the coin in his slice. ☐ Yes ☐ No

22. The mother _____ a coin in the dough.
    a. hides b. finds c. cuts

23. Why does finding a coin mean?
    a. A New Year
    b. More cake
    c. Good luck

[24-27]

Our eyes help us see. They are like cameras. But how do they work?

The eyes use light to see. Light bounces off something. It enters our eyes. The light hits the back of our eyes. It turns into a picture. Our brain then reads the picture.

There isn't much light at night. It can be hard to see. Turn on the lights!

24. Our eyes are like cameras. ☐ Yes ☐ No

25. There is a lot of light at night. ☐ Yes ☐ No

26. What do our eyes use to see?
    a. Pictures
    b. Light
    c. Cameras

27. The light _____ the back of our eyes.
    a. turns on
    b. bounces off
    c. hits

[28-31]

Some people have dark skin. Others have light skin. Some people have brown eyes. Others have blue eyes. Some people are tall. Others are short.

Some people are kind. Others are mean. Some people like to share. Others are greedy. Some people have good manners. Others don't.

What is important? It doesn't matter what people look like. It matters how people act.

28. Most people have dark skin. ☐ Yes ☐ No

29. It matters what people look like. ☐ Yes ☐ No

30. Some people like to share, and others are _____.
    a. greedy
