

## Unit 1

1. art exhibition
2. curated
3. art critic
4. most trusted companion
5. fellow
6. interact with
7. engaging works
8. interact
9. amount of interest
10. enthusiasm

## Unit 2

1. amazing structures
2. coral reefs
3. miniature horses
4. strangest feature
5. camouflage
6. have developed camouflage
7. blowfish
8. expand
9. highly toxic
10. enough venom

## Unit 3

1. important ingredient
2. eventually made
3. smaller sections
4. strength and stamina
5. wounds
6. Olympic Games
7. viral infections
8. evil spirits
9. hung wreaths
10. season soups

## Unit 4

1. medical emergency
2. medical training
3. prevent further injury
4. unstable structures
5. absolutely essential
6. other physical indications
7. professional medical team
8. no circulation
9. assisted breathing
10. medical emergencies

## Unit 5

1. vast wonderland
2. miniscule plankton
3. pollution and death
4. both directly and indirectly
5. pesticides pollute
6. Invasive species
7. natural population
8. marine parks
9. caused by overfishing
10. safe waste disposal

## Unit 6

1. Taj Mahal
2. UNESCO world heritage site
3. Persian princess
4. commissioned the construction of
5. designed
6. thousand workmen
7. thousand elephants
8. semi-precious stones
9. elaborate gardens
10. distant parking lots

**Unit 7**

1. popular genre
2. private detectives
3. detective fiction
4. greatest private
5. Sherlock Holmes
6. The Moonstone
7. best-loved English
8. investigator Philip Marlowe provided
9. unforgettable characters
10. adapted for television

**Unit 8**

1. currency works
2. mobile app
3. your pocket or purse
4. records of transactions
5. nearly impossible
6. possibilities of Bitcoin
7. financial products
8. tainted lettuce
9. tracking easier
10. mistakenly eating

**Unit 9**

1. attentive student
2. anything mechanical and scientific
3. suddenly became
4. blamed the condition
5. shy and solitary
6. his experiments
7. telegraph operator
8. greatest contributions
9. ninety-nine percent perspiration
10. good health

**Unit 10**

1. frozen confection
2. evolved from ancient civilizations
3. took recipes
4. frequently serving
5. European confectioners
6. popularity slowly spread
7. husband's inauguration
8. hand-cranked freezer
9. large-scale commercial production
10. mass production

**Unit 11**

1. most famous
2. fame around the world
3. real-life gangster
4. deals drugs
5. Rear Window
6. often feature strong characters
7. Men in Black
8. hunting aliens
9. succeed on Broadway
10. gangsters

**Unit 12**

1. Chinese invented
2. court official
3. three different substances were
4. modern technology
5. process of papermaking
6. European paper
7. plant fibers
8. enormous amount of trees
9. huge quantities
10. craft practiced

### Unit 13

1. Pablo Picasso
2. useful discussion
3. equally important
4. mostly depicted poor people
5. artistic center
6. previous styles
7. greatest achievement
8. inspired by the bombing
9. created sculptures
10. outstanding artists

### Unit 14

1. means invincible
2. popular in jewelry
3. igneous rock
4. Earth's crust
5. three billion
6. only source of diamonds
7. diamond deposits
8. the surface of Earth
9. mining diamonds
10. hardest substances

### Unit 15

1. central religious
2. commonly referred
3. revelations from God
4. varying length
5. difficult task
6. even for Islamic scholars
7. exact meanings
8. many interpretations
9. commandments and warnings
10. sacred text

### Unit 16

1. chronological record
2. to understand the present
3. many resources
4. isolated tribes
5. bark or cave walls
6. first substances
7. wealth of written records
8. become available
9. microfilm or digitally
10. historical information

### Unit 17

1. closely associated
2. silver mined
3. silver coins
4. circulated widely
5. Spanish empire
6. newly independent
7. proximity
8. after independence
9. more widely accepted theory
10. peso superimposed

### Unit 18

1. French expression
2. nobility obligates
3. well-being of the poor
4. most generous
5. strategic plan
6. out of poverty
7. different regions
8. excellent results
9. first objectives
10. meaningful difference

**Unit 19**

1. devastating natural disasters
2. most damaging
3. equally devastating
4. understand completely
5. Pressure builds up
6. foundations move or crack
7. from fairly frequent earthquakes
8. potentially cause
9. earthquake belts
10. the San Andreas Fault

**Unit 20**

1. digital file
2. any substance
3. to make an automobile
4. extremely rare
5. saves time and money
6. slowly changing
7. still experimental
8. design your own car
9. being printed
10. that someone else designed
